

# Kamloops Skating Club News

Our Star Girls hosted a fundraiser simulation night, they invited all their family and friends to attend. It was a wonderful experience for our girls; it ended up being a team strengthening exercise and raised our KSC team spirit. Everyone was so supportive; it was hosted 2 weeks before the Kelowna Super Series, making it a great practice for all of our Star Girls that attended the Kelowna Super Series. (Picture left).

**On Family Day**, our club hosted a fun family day skate. We invited our club members to dress up as their favorite characters if they wished, we got some fun photos. (Pictures right).

## 2016/17 Season Year End Brag Night

We had a very successful traditional year end brag night, with many of our Star Girls performing their solo routines and a fabulous group number that was choreographed by coach Dennis Bryan. All our skaters skated in our Brag night showing off their awesome, hard earned skills. At the end we recognized some preschool and CanSkate skaters for their skating prowess with some awards (images below). We have a really great group of talented skaters up and coming!!

**WE WOULD LIKE TO CONGRATULATE THE FABULOUS
